### Honor Roll Paris High School.

#### DECEMBER REPORT OF PARIS PUBLIC SCHOOLS.

To the Board of Education,  
Paris, Ky.  
Gentlemen:

As seems to be inevitable at this season of the year, the daily attendance has fallen below the 667 of last month. That you may note the steady growth of the schools, will give the enrollment and attendance of December for the last four years:

In 1909, the December enrollment was 615, attendance 523.

In 1910, the December enrollment was 654, attendance 543.

In 1911, the December enrollment was 714, attendance 596.

In 1912, the December enrollment is 743, attendance 639.

The colored schools have made great progress in order and efficiency and have increased some in attendance. This month the enrollment is 348, the attendance 286, making a total enrollment in both schools of 1,091 and an average daily attendance of 925, nearly 90 per cent of the enrollment.

Scarcely a pupil who attends regularly is falling behind with his work. Would that parents would learn the importance of prompt and regular attendance!

Every department of both schools is in a flourishing condition, and a good honor roll follows:

W. A. BECKLER, G. P. A.,  
Cincinnati, O.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.

#### A La Mode.

"What was the chief food of the woodchoppers in whose camp you spent your vacation?" "Pork and potatoes, served in the form of chops and chips."—Christian Science Monitor.

When you have a bilious attack give Chamberlain's Tablets a trial. They are excellent. For sale by all dealers.

#### Daily Thought.

A man should never be ashamed to own he has been in the wrong, which is but saying, in other words, that he is wiser today than he was yesterday.—Pope.

If you are troubled with chronic constipation, the mild and gentle effect of Chamberlain's Tablets makes them especially suited to your case. For sale by all dealers.

#### All He Was Interested In.

Mother—"What do you think you will make out of my daughter's talent?" Professor—"About \$2 a lesson, if the piano holds out."—Stray Stories.

#### Move on Now

says a policeman [to] a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25 cents at Oberdorfer's.

#### Speech in Marble.

Rodin says of the antique masterpieces: They "speak to me louder, move me more, than human beings. In its turn, may the new century meditate upon these marvels, and may it try to ascend to them through intelligence and love."

We wish to call your attention to the fact that most infectious diseases such as whooping cough, diphtheria and scarlet fever are contracted when the child has a cold. Chamberlain's Cough Remedy will quickly cure a cold and greatly lessen the danger of contracting these diseases. This remedy is famous for its cures of colds. It contains no opium or other narcotic and may be given to a child with implicit confidence. Sold by all dealers.

#### Remarkable Recovery.

Capt. Marion Lowe, a retired railroad engineer, living on a farm south of Falmouth, was stricken with paralysis last summer and was sent to the Cincinnati Hospital and was treated by the best specialist in Cincinnati for three months, when he was sent home slightly improved. After arriving home he did not improve any, but seemed to gradually lose his strength. Finally he got so he could not walk around. Before he was stricken with the disease he was an ardent member of the Methodist church and devoted much of his time to Sunday school work and persuading young men to turn toward the church.

A week ago one of his neighbors went to his doctor for medicine for him, and when it was given to him he threw it into the fire and said he would not take any more medicine but would trust the Lord to cure him. He went to bed and woke up next morning cured, he claims, and went to work on the farm, and has been working every day since his recovery.

#### Makes the Nation Gasp.

The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing by Bucklen's Arnica Salve, of thousands, who suffered from burns, cuts, bruises, bullet wounds or explosions. Its quick healer of boils, ulcers, eczema, sore lips or piles. 25 cents at Oberdorfer's.
